Charles Cathy ought to be ashamed of himself. His little daughter, Susette, three years of age, came in from romp and play, took off her shoes and informed Jesus her corns hurt.

Mrs. Rosa Tribble Maxey is at home after a major operation.

Cpl. Loyd B. Grantham from Bradley Field, Conn., has been home visiting his wife and infant son, Larry Loyd.

The Red Cross here has almost attained its goal, but not quite. The Second Road drive has been over-subscribed at least 2 to 1.

Some white residents in the vicinity of the proposed Negro USO house, tentatively located on grounds near the colored school, are protesting about that location. My wife is co-chairman of the Negro USO work, but had NOTHING to do with the location of the building, and was NOT consulted about it. As co-chairman she is consulted about the Negro personnel which operates the USO, but has nothing to do with the selection of a location. I imagine the records will show WHO did make that selection.

Lickfold's has started a senate's move by not trying to stay open all the time. Others must follow unless they expect to ruin their health trying to get the LAST dime floating around.

Aint they sweet.

We are so damn crowded this is sue that I am turning the rest of my column over to my favorite correspondent.

### Camp McCain News

The Russian Bank contest between Miss Dorothy and I. A. Griffiths is still in full swing, with the LA. several games ahead. By the way, he is a real soldier, being "demoted" as he says, to the Infantry . . . from the General Staff. That is merely my viewpoint.

The "Insurrection" officer is really showing some of his trade marks lately, having been seen very frequently in the company of Miss Clara, from Grenada. Yes, we're talking about G., the young blonde, Major.

The Episcopal Church was crowded with twice-a-year Christians last Sunday. Didn't see "Pa" Whitaker there, though. He did go last Christmas, however.

This column is more disconnected than usual. Due to the scarcity of help in Grenada, most of us have been forced to take care of the lawn ourselves. So my mind keeps jumping back to that last plant I pulled up, and wonders "was it a weed—or a flower?"

Mrs. Harry Fish has been working these days setting out shrubbery at the Camp, with the aid of the soldiers. Camp McCain does have an unusually large number of trees for a Camp of its temporary type.

Cruised through there last Saturday on the bus, and it looked like an old Greek vase painting except for the uniforms. Every type of sport was being played on the fields. Horseshoes, volleyball, baseball, football, boxing, wrestling, basketball, and sun-tanning.

Oh, just saw Camp's forgotten man, "Doc" Watson—last night squinting medium blonde to the movies.

Had a letter from Mary Elizabeth Thayer Crocker. She was married in Birmingham, Ala., two weeks ago at the Episcopal Church there, by the new Curate. She wore a beautiful light green softly tailored suit with a tie jacket, and a black velvet hat and black shoes. Her corsage was a lovely natural orchid. Her husband, Lt. A. B. Crocker, newly commissioned in the Artillery, is stationed at Camp Stewart, Georgia, a newly activated Post. She is planning to go there May 1, and live in Savannah. At present she is visiting her parents in Greenville, Miss.

And did you boys at Camp know that "Myrtle of the sweet voice" telephone operator for the government at Camp, is recently married, too, and her husband is a six foot Sergeant from Camp? Just a friendly warning.

Talk about gas rationing!! Just went over to Greenwood last week and about fifteen people from Grenada also shopping. And how did I get there? The two Whitaker girl students went along too, and with them was Miss Ivy Brister, Caroline's roommate at All Saints College for Girls at Vicksburg, and granddaughter of the Bishop of Mississippi. Such a religious atmosphere didn't keep them from dating Lieutenants from the Camp, however.

It seems that the Laundry is having a little trouble getting help. I don't see how that is possible, for most everyone's servants around here have left them to work at Camp.

NOTICE: Although Lt. Col. Wade has left for Camp Claiborne, his family is still living in the house, and plan to stay there indefinitely. No more phone calls concerning that, please.

### Oxberry Youth Receives Highest Military Honors

Pfc. John F. Huffman, former Oxberry youth, and son of Mr. and Mrs. J. F. Huffman, has received the Purple Heart medal, a medal which was first given for meritorious military service during the Revolutionary War.

Pfc. Huffman was known to have

PFC. JOHN F. HUFFMAN

been wounded in North Africa, and that he is now in a rest home in England. It is further known that he sent his mother the medal in January. The citation has not been received, but it is known that the Purple Heart medal is not lightly given, but given only to those who go far beyond the call of duty in executing some deed in combat.

So far as our information goes, Pfc. Huffman is the second Grenada county youth to receive this medal, the first one being Guy Clanton, of Grenada and in the latter case the medal was awarded posthumously.

### Celebrates Command's First Birthday

The Grenada Army Air Base, latest unit of the 1st Troop Carrier Command whose headquarters are in Stout Field, Indianapolis, is planning to observe the first birthday of the Command with a birthday party and a dance at the Officers Club, Friday night, April 30th. There will also be a party for the enlisted men at the same time at the 44th big dining room.

Plans are underway for a fitting observance of that event by Stout Field for a Nation wide broadcast over CBS facilities. Included in the plans for the program it is expected that General Arnold, Commanding General of the Air Force, General Chapman, Commanding General of the Air Force Command and General Borm, Commanding General of the Troop Carrier Command, will be present. The program is scheduled for 8:30 p. m. over the CBS net work.

### Mrs. Chas. H. Willis Enters Superintendent's Race

To the Voters of Grenada County:

I am offering my candidacy for the office of County Superintendent of Education subject to the action of the Democratic Party in August.

Four years ago I asked you for this office and, although I was not elected, I received a splendid vote for which I am deeply grateful. To those of you who voted for me then I earnestly solicit your vote again; to those of you who did not vote for me I would appreciate your serious consideration of my qualifications and if you think I can serve you efficiently in this office I would be very grateful for your support.

I am not unmindful of the duties and responsibilities of this office, but I honestly feel that I am qualified by education, training and experience to meet these duties and responsibilities. I hold an A. B. degree from M. S. C. W. and have had some twenty years teaching experience both in rural and city schools.

In asking to let me serve you I assure you that I shall give you my whole time and energy. I shall endeavor to the best of my ability to cooperate with every agency in the county that has as its aim the betterment of the county. However my interest, first of all is in the boys and girls of Grenada County, your boys and girls.

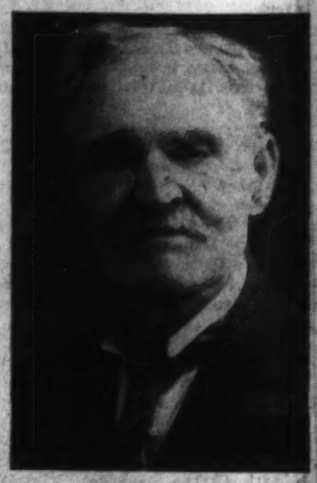

It is very unlikely that I will be able to make a house to house canvass, but I shall try to contact as many of you as possible. In the meanwhile, I would appreciate a word of recommendation to your friends and neighbors from those of you who have already expressed an interest in my campaign.

In asking for your support I make one promise, that if elected, I shall give you my best in honest, faithful and efficient service.

Respectfully yours,  
Mrs. Charles H. Willis.

Mr. J. G. Weeks, one of Grenada's oldest citizens, died in his home on Main Street early this (Thursday)

morning and will be buried this afternoon at four o'clock.

Full details of his life, death and burial will be in this newspaper next week.

### John Willis Carpenter, Sr. Died Last Thursday

John Willis Carpenter, 65, native of Tallahatchie County, but a long time resident of Hardy, died of a lingering illness at his home in Hardy on Thursday, April 22, 1943 and was buried in the Pearle cemetery on Saturday.

He was born on January 3, 1878 in Tallahatchie County, but many years ago moved to Grenada County and lived in or near Hardy Station.

Being a member of the Pearle Baptist Church for many years, it was from that church that funeral services were conducted by Rev. C. B. Beverly, of Pearle, on Saturday, April 24th.

Surviving him are the following children: Mrs. Harvey Carter, of Hardy; Mrs. Corrine Lowery, of Gultport; John W. Carpenter, of Grenada; and Wallace Carpenter, of Hardy. One sister, Mrs. Martha Tribble, of Hardy and four brothers, Riley Carpenter, of Cassila, O. N. Carpenter, of Route 2, Grenada, Henry Carpenter, of Murphersboro and Green Carpenter, of Grenada, survive him, and to them our sympathy is extended.

### Mr. Jim Yeager Dead

News has reached here of the death last week of Mr. Jim Yeager.

He was one of the most successful planters in the Delta, but had sold out preparatory to retirement.

He was a native of Attala County, but was reared in Grenada, where his parents moved 45 years ago.

Jack and George Yeager, Mrs. S. Y. Anderson and Mrs. Harry S. Wilson survive.

### Red Cross Class At Tie Plant

Announcement is being made to the effect that on May 3rd at 8 p. m. at the Methodist Episcopal Church at Tie Plant, the ladies are to meet for the purpose of forming a class to study "Home Training" under the capable instructor, Miss Mary E. Howell.

Red Cross nurse sent to Grenada county from National Headquarters. The ladies are urged to be present at this organization meeting.

### "Ike" Pearson Wins His Bars

After a severe course of training at Quantico Marine Base, I. O. Pearson, III, son of Mrs. Lela Yeager Wilson, has won the coveted old bars in the U. S. M. C. Reserve.

He stood 7th in a class of 160.

### Edgar Eugene Nall, U. S. Navy Honored

Edgar Eugene Nall, Signalman Third Class, U. S. Navy, of Grenada, Miss., has received commendation from the Chief of Naval Personnel for meritorious conduct as member of the Armed Guard Crew of a U. S. Merchant Vessel, which was sunk by enemy

STAFF SGT. THOMAS C. GANT

forces.

A report of the occurrence, for which Nall's ship was attacked had been heavily attacked by enemy submarines and aircraft. When an attack by many torpedo planes occurred, the Armed Guard Crew, by their skillful anti-aircraft fire was successful in shooting down two of the raiders. During this attack the vessel suffered two torpedo hits and within the space of a few minutes began to settle at the stern. Despite the heavy machine gun fire from the planes, the abandonment of the ship was effected successfully and there were no casualties either during the attack or in the evacuation.

The commendation read in part: "Your courage, coolness and outstanding performance of duty throughout the above action were in keeping with the highest traditions of the Naval Service."

Nall enlisted in the Naval Service on July 10, 1940 at New Orleans, La., and has been in continuous service since then.

He was born at Oxberry, on February 8, 1922 and is the son of Mrs. J. E. Keenum who resides at R. 4, Grenada, Miss. His father, the late Edgar Nall, was a World War No. 1 veteran.

### William F. Bailey Made Corporal

William F. Bailey, of 620 Levee St., Grenada, has been promoted from Private to Corporal in Camp Lee's Quartermaster Replacement Training Center.

Corporal Bailey is a basic military instructor and squad leader and is assigned to Company F of the 8th Quartermaster Training Regiment. He was formerly a machinist at the Grenada Industries, Grenada, Mississippi.

Cpl. Bailey, son of Mr. and Mrs. John E. Bailey of the Levee Street address, was inducted at Camp Shelby, Miss., on February 19, 1943 and arrived at Camp Lee, Va., on March 4, 1942. His wife, the former Miss Elizabeth Purdie, prior to their marriage in May, 1939, is living at 620 Levee St., Grenada, Miss.

Cpl. Bailey has been visiting his folks in Grenada regularly.

### Holcomb Boys Honored At Livestock Show

Two firsts and three sixths were the prizes brought back by the boys of the agricultural class at Holcomb Consolidated School, that class being headed by Professor G. O. Sanford.

Fred M. Lawrence won first place in poultry judging, while he and Harold Smith as a team won first in the small series of contests.

Hal Mullen, Ralph Phillips and Robert A. McBride won sixth place in Dairy Judging.

Congratulations, boys.

### Staff Sgt. Thos. C. Gant Is Strictly Anti-Axis

The above handsome picture is that of Staff Sergeant Thomas C. (Bob) Gant, son of Mr. and Mrs. E. W. Gant.

of Grenada, Route 1. He volunteered May 10, 1937 at the age of 18, trained at Fort Benning, where he stayed two years, and was honorably discharged there. In April, 1940 he volunteered in the Coast Artillery and was sent to Fort Randolph, Canal Zone, where he stayed three years, after which he was sent to Camp Edwards, Mass., on February 8, 1943, where he is now located. He was at home a few days in February of this year.

Since he now wears four stripes, it is needless to say that he has received four promotions since he became a member of the armed forces.

Today is his birthday, and his parents thought an appropriate gift would be a subscription to the GOW.

### H. B. Spain Retires After Thirty Years Service

Mr. Horace B. Spain is retiring from the U. S. mail service after 30 years' service, and is being succeeded as register clerk at the Grenada depot by his son-in-law, Mr. Arthur Grider, of Newton.

Among other things useful to the community that Mr. Spain has done were to bring the first ice cream factory to Grenada, and to establish Spain's Bakery, now owned by Ed Dennis.

He has received many messages from his superiors praising his work, and Grenada itself is proud of what man who has done his work, of whatever character, well.

### Passover Festival Observed At Camp McCain

Seven hundred and fifty men of the Jewish faith observed Passover, the Festival of Freedom, at Camp McCain on April 16th, with three services held simultaneously.

The holiday, commemorating as it does the struggle for and eventual achievement of human freedom, had particular significance for the men this year due to the fact that these men were able to participate in the Passover celebration while under arms in the defense of both their Country and the principal of liberty everywhere.

The services were conducted by Lt. Robert Erman and Pvt. Hyman Katz, Staff Sgt. Irving H. Levine and Pts. Arthur Stiner and Maxwell Leffler, and Pts. Hillel Abrams and Isadore Goldenberg. These men recounted the history of the exodus of the Children of Israel from Egyptian slavery.

The special Passover meal, which is an integral part of the celebration, was prepared by a committee of women under the direction of Mrs. Lucille Goldstein and Mrs. Fanny Brenner, of Memphis.

Short addresses were presented by Lt. Col. Edward S. Byron, who emphasized the hope that this service would next year be held by the men in the traditional manner in their homes and with their families after a victory and a just peace had been achieved. Major S. Barksdale, speaking for Major Gen. Percy Clarkson, indicated the General's deep interest in the religious and welfare needs of his men over and above their training programs. Chief of Chaplains Gaertner, speaking at the third service, pointed out that now it was the time for us to have a true understanding of the unity of man and the oneness of God.

The entire arrangements for this function were planned and executed by the Grenada Jewish Welfare Board and Army and Navy Committee under the direction of John J. Kameles, Field Director for the USO, JWR in this area and with the cooperation of the military authorities at Camp McCain, and Mrs. John J. Carpeles.

### W. A. Winter Announces For Floater Representative

To the Voters of Grenada and Montgomery Counties:

After due and appreciative consideration of the requests received from Grenada County voters to enter the political field as a candidate for Floater Representative from Grenada and Montgomery Counties, I have finally

decided to announce my candidacy for that important constitutional office, subject to the action of the voters in the Democratic Primary Elections next August.

For the information of those voters who may not know me or my official record, permit me to make a few personal references.

I was born in Grenada County, on a farm which I now own and operate as a cotton, corn and livestock farm. I have been elected by the people to five full terms as a member of the Mississippi Legislature. At the end of my present term as a State Senator, I shall have served twenty years as a State legislator; eight years as a member of the House of Representatives and twelve years as a member of the State Senate.

I have served as a member of the following committees: Military Affairs; Eleemosynary Institutions; Ways and Means; Local and Private Legislation; Railroads; Banks and Banking; Temperance; Education; Agriculture, Commerce and Manufacturing. (Chairman three terms).

As a member of the House I supported and helped to enact into law the following important bills: to create and establish the Industrial and Training School at Columbia; to create and establish the Tuberculosis Sanatorium at Magee; to restore the Old Capitol building at Jackson; to create the State Plant Board; to create the State Highway Department. This law was the beginning of our present splendid system of paved highways.

As Chairman of the Senate Agriculture Committee in the Whitfield administration I had charge in committee and managed to successful passage on the floor of the Senate, the House bill to create the State Forestry Commission, and also the House bill to establish a state-wide Stock Law.

The result of the enactment of the Stock Law has been the eradication of the Texas fever cattle tick and the saving of the great cattle industry in our State.

As a member of the Senate in Governor's administration, I supported and helped to enact into law, the bill to exempt from all taxes all farm livestock and farm equipment and all household property.

In the Johnson administration, I have helped to establish time crushing plants to furnish our farmers agricultural time at cost, which just about equals the government payment to the farmers for putting the time on their lands.

I am co-author of the 1942 law, to permit all qualified electors, now serving in the Army, Navy and Marine Corps of the United States in the present war, to vote in all primary elections by absent ballot, without the payment of a poll tax.

During the 1942 session we slashed \$3,000,000 from the tax bills for 1942 and 1943, and gave the Common Schools \$1,500,000 increase and old age pensions an increase of \$300,000. "A right policy of economy has been followed, with no bureaus or commissions formed to take additional funds." (See Kenneth Toller's editorial 1943 Senate Journal, Pages 645, 646, 647.)

There were many other good bills that I supported, and many useless and unnecessary bills that I helped to kill.

Here is a part of my official record as may be found in the Statute books of our State and in the Journals of the House and Senate.

I submit the record as a far better guarantee of service and dependability than a whole page full of long-winded promises. I tried to be careful and conscientious and not make any mistakes, but in looking backward now, I think that I made a few mistakes in

#### ALL SAINTS AUXILIARY

On Monday afternoon, All Saints Episcopal Auxiliary met at the home of Mrs. E. L. Wilkins, Mrs. Sax Weir led the devotional and Mrs. W. W. Whitaker, president, presided during a business session.

A letter was read from Mrs. Wheatley cordially inviting all Episcopalians to attend a reception at the Robert R. Lee Hotel in Jackson, on May 12th, between the hours of 4 and 5:30 given in honor of the Presiding Bishop, the Rt. Rev. Henry St. George Tucker, D. D., Bishop Theo. D. Bratton and Mississippi's newly consecrated bishop, Bishop Duncan Gray.

Red Cross work sewing was allotted the members, being curtains for one of the Mess Halls at Camp McCain.

It was agreed at this meeting that for the present, the Auxiliary will meet at the centrally located home of Mrs. Ben Brown at 8 o'clock each Monday, and after the devotional and business session lasting 30 minutes, all members will go to the Red Cross sewing room to work. All members are urged to take notice and be present at these meetings.

Two chapters of the book, "Women of the Bible," was given by the religious program chairman. The meeting closed by the members saying the benediction in unison.

#### McCRACKEN-CHITWOOD

A wedding of interest was solemnized Saturday evening, April 24, 1943 at 7:30 o'clock, when Miss Frances Chitwood became the bride of Pvt. Raymond Milton McCracken, of Medical Detachment at Army Air Base, Grenada, son of Mr. and Mrs. Sidney Johnson McCracken, of Clovis, New Mexico. The ceremony was said at the home of Mr. and Mrs. Jack Dyre, on South Street, the Rev. W. L. Robinson, pastor of the Methodist Church officiating. Miss Wanda Ratliff was the only attendant.

The bride is a popular young lady who has worked as clerk at Dyre-Kent Drug Store for several years. She is a graduate of Meridian High School and finished her business training at Draughton Business School in Memphis. She plans to continue to work at Dyre-Kent Drug Store.

Miss Dorothy Talbert, a freshman at Belhaven College, and daughter of Mr. and Mrs. J. M. Talbert, of Grenada, will have an important part in the May Day pageant at Belhaven.

Corporal Lambert Gammons was a recent visitor in the home of his parents, Mr. and Mrs. Harry Gammons.

Miss Gene Marders, of Belhaven College, visited her mother here the past week-end.

Miss Tommie Hamilton and sister, Mrs. Watson, were in Memphis on Monday. Mrs. George Granberry and Miss Mary Ella Collins accompanied them on the trip.

Mrs. L. C. Proby and daughter, Miss Susan, were Memphis visitors on Monday.

Mrs. Van Williams enjoyed having several of her children with her the past week-end. Included were, Staff Sgt. Fred Williams, of Jackson A. A. Base, Mr. and Mrs. Milton Williams and baby, of Memphis, and Mr. and Mrs. Warner Williams and baby, of West Point.

Mr. and Mrs. Earl Dennis and child, a recent visitor in the home of her daughter, Mrs. Kirk Melton in Holcomb.

#### MRS. FRANK GERARD HOSTESS

On Tuesday the hospitable home of Mrs. Frank Gerard was the scene of a delightful bridge club meeting at 3:30 in the afternoon.

Three tables were arranged for the games, two in the living room and one on the wide screened porch. Lovely spring flowers were placed at intervals about the rooms and porch adding a festive note.

Members present were Mesdames E. L. Wilkins, E. L. Morrow, L. J. Donk, A. M. Carothers, C. H. Calhoun, D. G. Ross, J. E. Martin, E. R. Pleasant, and the hostess. Non-member guests were Mesdames Lloyd R. Boese, D. C. Campbell, W. W. Whitaker, Bob Hughes and Mrs. Hingle.

At the close of the third rubber Mrs. Gerard, assisted by Mrs. Martin, served delectable strawberry short cake topped with ice cream.

#### ANNOUNCEMENT

#### INFANT DAUGHTER CHRISTENED

On Easter Sunday afternoon, the infant daughter, Eloise Lunkin, of Mr. and Mrs. Louie Walker DeMottville, of Egypt, Miss., and granddaughter of Mrs. Eloise Lunkin Wilkins of Grenada was christened at All Saints Episcopal Church, Grenada, Rev. C. S. Liles officiated. Mr. Ben Kavanaugh, the baby's uncle, is God father and Mrs. Ben Kavanaugh and Miss Eloise Wilkins, aunts of the child, are God mothers.

Mrs. Annie Jones who spent the winter months at the Riviera Hotel in Biloxi, has returned home. She visited her daughter, Mrs. Ralph King in Monroe, La., and her son, Mr. C. B. Jones and wife at Cleveland enroute home. Mr. Jones brought her home in his car last Friday.

Friends will learn with interest that Pte. Allen Anderson, son of Mr. and Mrs. B. J. Anderson, of Grenada, has only recently graduated at Stewart Tech. School, N. Y. City and is now taking further training at Caldwell, N. J., at Curtis-Wright Corporation plant.

Mrs. James Moore left early Monday morning for Dallas, Texas. She is to visit relatives in Texas until May 20.

Miss Dorothy Whitaker returned to Columbia, Mo., on Saturday afternoon after several days' visit with her parents, Mr. and Mrs. W. W. Whitaker and family.

Mrs. Houston F. Bowen, of Benoit, spent a short while back "home" recently.

Lester Bowen, of Jackson A. A. B. is home for a short visit.

#### CARD OF THANKS

We wish to take this method of expressing our appreciation to the doctors, nurses and others who were so kind to our dear wife and mother when she underwent a major operation at Grenada Hospital recently. Happily she is home again and much improved. Sincerely, J. D. Emmons and Children

What's Our Homework? What time is it? Let's Go To The Show! Did you hear about Jack?

"It's great to know you're helping!"

"Sure, I know I'm too young to carry a gun and be a Ranger like brother Bill, but I'm helping all the same in every way I know how. Dad told me the other night about the need for cutting down my local 'phone calls. He said that every telephone line was needed so badly by Uncle Sam that every call I didn't make would help win the war."

"Gee, I didn't know my calls would make any difference, but they sure do. Dad says telephone lines and switchboards are so crowded now that every call I make, to be sure it's important. Mom and Dad, and Sister and the maid, and the whole gang of kids in my neighborhood are now doing a lot less telephoning. Believe me, I want brother Bill back home, and if cutting down on my 'phone calls will help bring him back—it's sure okay with me."

"How about you? Will you help, too? I bet you will."

### Experience, The Priceless Ingredient

Experience is a priceless ingredient in any man seeking public office, provided, of course, the experience was gained in a constructive administration.

Of course, if the office holder merely enjoys the emoluments and the honors of the office and lets the affairs entrusted to him merely slide along the path of least resistance, his experience in that office is not an asset.

In the governor's race, there are four men: Dennis Murphy who has become so accustomed to playing the second fiddle that it would be dangerous to entrust the first fiddle to him; Thomas L. Bailey who, as a member of the lower house, helped wreck Bilbo's administration, and who helped make the administration of Mike Connor and the administration of Hugh White successful ones, but Tom has never been tried at the helm and, therefore, is an unknown quantity so far as executive ability is concerned; Lester Franklin, a perennial candidate for the high office who some way always manages to secure a soft spot upon which to fall after his elimination in the first primary; and Mike Connor, the man who has had experience of the RIGHT kind in that office.

Mike Connor took office in 1933 and served through four of the most troublesome years that Mississippi has experienced since Reconstruction times—the years when the bubble of false prosperity finally collapsed in October, 1929 and left the whole country prostrate economically. It was he who took the bite in his mouth and, against powerful and sustained opposition, imposed the sales tax on the people of Mississippi, restored the credit of Mississippi and brought Mississippi's obligations back to par and above. He thereby paved the way for the successful administrations of his successors, Hugh White and Paul Johnson. In short, Mike took the beating, while Hugh White and Paul Johnson enjoyed the benefits.

The headaches and the heartaches of another, and greater economic depression loom ahead of us. Surely this period of reconstruction, with all its attendant problems, will require the best brains available for the high places. Mike Connor has not been asleep these past eight years. He has kept abreast of the changing times and the changing conditions. He is eight years older and has added eight years of wisdom, yet from a physical standpoint seems to have deteriorated not at all. I have often thought that Mike and Bilbo, both of whom are Irishmen, are the only men who have, in recent years, been able to stand the punishment that goes with the office of governor. While still in office, Lee Russell just died along the path of least resistance. Bilbo thrived on it. Hugh White's vigorous body was almost wrecked by it. Paul Johnson has to spend much of his time at Hot Springs. Mike Connor got fat on it.

Put away things aside. Put first things first. Elect a man who possesses the priceless ingredient—successful experience. Vote for Mike Connor.

### A Good Time To Recapture The Home Trade

In normal times, when shoes and rubber were easily had, our merchants were constantly griping about the huge amount of business that left Grenada for Memphis, Cincinnati and Jackson. They had in many cases goods of the "homemade" kind that were bought in distant places, and sometimes sold the goods actually cheaper, and, therefore, had a legitimate excuse for griping.

What with the restrictions on rubber and gasoline and with the overcrowded trains and buses, people in this area are almost forced to trade at home, whether they wish to or not.

This period, then, is the time for each and every merchant to impress upon the people in Grenada's trade territory the fact that the merchants DO have just as good merchandise at just as attractive prices as do the merchants in the distant places.

This, then, is the time to change the buying habits of the people in Grenada's trade territory. Their habits can be changed by devoting a little more attention to the home folk (who were here before the boom and will probably be here when normalcy returns) and a little less to those who have the great amount of easy money to spend.

The wise businessman should know that the war will not last forever, and that eventually he will have to earn his living from profits taken on goods sold to the HOME PEOPLE.

This does not intend to advise that the businessman treat the temporary residents discourteously, but it does mean that he should give a little more attention to the people who will be here when peace comes.

### No Shortage in Baby Crop

In the Home Front items, issued by the federal government, I note the following item:

There'll be no shortage of babies this year, if the War Production Board figures mean anything. It's authorizing the manufacture of baby carriages, strollers, baby walkers and the like. More than a million will be needed in 1944, it says.

Hall may destroy the wheat crop; the boll weevil may ruin the cotton crop; grasshoppers may reduce the rice and barley crops; the borer may get the bananas, the flies may get the fruit, the cut worms may get the corn, but the baby crop, especially during war time, cannot be reduced.

Therefore, it is timely that the WPB lets down the bars on the manufacture of transportation for the immense crop of babies definitely in sight.

### For Rent

FOR RENT—23 acres of good land. No stumps. Short distance from town. Will rent for \$25 per year. Also have recently repaired 4-room house that will rent for \$3.00 per month. Owned by Frank Rogers. See Joe J. Rogers, Collins.

The reader will note that this property is in Collins, not in Grenada. The land here would rent for at least \$5.00 per acre. The house would rent for at least \$4.00 a month. However, it is cheap at the North Pole, and terribly high in Hell.

Dr. Lake made a good suggestion that we pass on to the farmers. Mix a small amount of turpentine to each hopper of seed corn, and this will prevent destruction by the cut worms.

Push the rat campaign to its logical end, the elimination of all of these free borers.

more but just ask Warren and Jean and Larry and Clarence what we mean.

Speaking of Clarence—he gets around. Seen Sunday night after church—Warren and Clarence.

Wonder why Barbara Nell was so thrilled this past week. It certainly couldn't have had anything to do with the fact that Little Brother Gammon was home on a furlough!

Romance on the Rocks: Olga and George. A certain Junior boy might be glad to hear this.

Has anybody noticed Martha Brook's football jacket? Could be Rock's but we think—well, ask John Ed.

Wasn't that Joe McKell and Margaret Green at the show Friday night? This is getting to be quite a regular event.

Did you see Jean Geeslin and Ruth Lee strutting around Sunday with their Orchids in full bloom. Thrill!

Between his pigeons and Peggy Thomson, Roy Honeycutt seems to be quite busy.

No wonder Billy Thesman refused a ride home after the Junior-Senior banquet. We thought you weren't interested in girls, Billy, but these two freshmen seemed to have changed your mind.

War has altered many things, but Mary Elizabeth and Tommy go on and on and on.

The floral business must be flourishing—the gym looked like a flower garden with all the corsages Thursday night.

The Seniors' advice to the Juniors was heard—if not heeded!

The direst things seen around G. H. S. lately were the faces of Polly Elliott and Warren Robinson in their black-face number Thursday night.

What would we do without Miss Wilson to play the piano for us?

Rogers and Betty Jane strictly got in the groove during the dance. That's hard on those rationed shoes!

Who wouldn't pay a nickel to hear Warren croon as he was doing at the banquet?

Seen at the Junior-Senior Banquet: Olga Lewis, Laverne Wilson, Margaret Green, Polly Elliott, Margaret Spain, Peggy Thomson, Marguerite Stanley, Berta Allen, Betty Yeager, Zula Mae McCormick, Mary Nell Rayburn, Jean Geeslin, Charley Sample, Mary Elizabeth Horton, Margaret Ann McCormick, Larry Noble, Brannon Anderson, Warren Robinson, Lynn Rose, Giles Patti, Roy Honeycutt, Jay Gore, Johnny Mitchell, David Degan, Teddy Bevell, Rogers Pleasants, Warner Moss, "Rock" Moore, John Ed. ### Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

## The Grenada Bulldog

### JUNIOR EDITOR

Margaret Green and Larry Noble  
REPORTERS  
Margaret Spain and Polly Elliott

### THE "WHY" OF THIS

Because of the perpetual aloofness of the class of '44 of Grenada High School the task of indicating the public with reading matter sufficiently lengthy to occupy several columns of the widely circulated GOW falls upon the hapless Juniors. Since it is customary to fill a class edition with numerous data concerning the good things of the class, we find our job not quite so pleasant as we did at first, for next year's Seniors aren't lacking in leadership, versatility, intelligence and originality.

Class officers are Larry Noble, who has been president every year since we entered High School; Buddy Aven, vice-president, and Betty Jean Yeager, secretary and treasurer.

The membership of practically every school organization includes Juniors, many of whom hold offices of various kinds. In Girl Reserves, we find Betty Jane Yeager as Service Chairman, Laverne Wilson as Membership Chairman, Margaret Green as Secretary, and Jean Geeslin as Triangle Leader. Polly Elliott is secretary of Glee Club; Margaret Green is vice-president and Stella Iry is an accompanist. Stella and Polly are also members of the Girl's Quasiest. Tommy Horton is Treasurer of the Allied Youth League, Catherine Fleming is President of the Dramatic Club.

Juniors who had a great deal to do with Grenada's winning the North Central Football Championship are Melroy Marascia, Warner Moss, Earl Moss, Jimmy Boone, David Degan, Bobby Townes, Buddy Aven, Jack McCreath, who is now in the Marines, and R. C. Purdie, now in the Army.

On the Basketball team were Bobby Townes, Melroy Marascia, Warner Moss, Earl Moss, and R. C. Purdie.

The track team, too, is made up largely of members of the Illustrations Class of '44. They are Buddy Aven, Bobby Townes, and Melroy Marascia.

### FORMER MEMBERS OF THE CLASS OF '44 IN THE ARMED FORCES

Have its entrance into High School, the class of '44 has lost eleven members to the services of Uncle Sam. In

the Navy are: Nick Varaso, Silver Varaso, Jack Heath, Miles Smith, Sherwood Smith, and Charlie Barranco. In the Army are: Willard Hudson, R. C. Purdie, and Milton McIlvain. In the Marines are John Henley and Jack Rickerstall. The class of '44 is duty proud of its fighting sons.

### JUNIOR-SENIOR PARTY A GALA EVENT

On Thursday, April 23, the Juniors entertained the Seniors with one of the most enjoyable parties ever given in honor of a graduating class.

The gymnasium, the scene of the festivities, was decorated in beautiful pastel with Easter rabbits, nests, streamers, and spring flowers.

Larry Noble, after welcoming the Seniors, took charge of the program. Catherine Herring, Stella Iry, and Polly Elliott, rivals of the Andrews Sisters, sang "Sweet Sue". Warren Robinson, surprise talent of the Junior Class, sang "The Night We Called It a Day." A reading, "The Flea Gang's First Cigar," was given by Laverne Wilson. Polly Elliott and Warren Robinson, as "Sadie and Silas Green from New Orleans," sang "St. Louis Blues." Miss Wilson was accompanist for each number. Climax of the program was the hilarious act of "tramps" Jimmy Boone and Teddy Bevell who, with their wisecracks, caused no few Seniors to blush.

Delicious cold plates and Open-Coke were served while the Seniors wrote words of advice to the Juniors. Miss Wilson and Stella Iry furnished "music while we ate." After eating, each Senior read his advice, much of which was very clever. Beanie Moore, Senior Class President, made a short speech of appreciation to the Juniors. Then the students enjoyed several hours of dancing while the faculty looked on.

OUR IDEAL JUNIOR GIRL—has eyes like Norma Crozier's has hair like Betty Jane Yeager's has a figure like Polly Elliott's talks like Olga Lewis since like Catherine Herring plays a piano like Stella Iry dances like Jean Geeslin has a disposition like Laverne Wilson is friendly like Ruth Talbot is dependable like Ruth Lee Morrow

OUR IDEAL JUNIOR BOY—has eyes like Billy Thomson's

has hair like Giles Patti's has a physique like Buddy Aven's sings like Warren Robinson is energetic like Tommy Horton is witty like Teddy Bevell is happy-go-lucky like Jimmy Boone has a disposition like Roy Honeycutt is thoughtful like Larry Noble plays football like Warner Moss is friendly like David Degan.

We are unable to disclose to the general public the addresses of our ideals, but if you will send a No. 17 white ration stamp with a stamped addressed envelope to the Junior Staff, we will be glad to supply you with the information you desire. Be sure to state whether you prefer male or female.

### GRENADA WENS REGIONAL TRACK MEET

Filling up a total of 62 points, the Bulldog track team won the North Central track meet at Duck Hill Friday. Duck Hill and Gardia tied for second with 60½ points each and Winona was third with 55 points.

Louis Barranco, with 16 points, took top honors for the day for Grenada. The fleet little sprint man took first in the 100, the 220, and the 440 yard dashes and was anchor man on the mile relay team which finished second to Gardia. Beanie Moore, winning the 120 yard high hurdle, taking second in the broad jump and the high jump, and having first spot on the relay team, grabbed second in individual points with 14. Buddy Aven won first in the 200 yard low hurdles, third in the half mile and fourth in the shot put and racked up a total of 10 points.

Bobby Townes won third in the mile run; Charlie Barranco won third in the pole vault and was on the relay team; Guy Robinson won fourth in the discus; and Mellow Marascia ran on the relay team to complete the boys' scoring for the day.

Eugene Robinson took third in the girls' 80 yard dash. Janet Kettle won a third in the 75 yard dash and a fourth in the base ball throw. The relay team of Robinson, Green, Gowan and Kettle took second in the 200 yard relay.

Because of a heavy wind from the northeast the times on the events were not nearly so good as was expected.

## Corps Of M. P.'s Different From M. P.'s Of 1918

Although Camp McCain soldiers have made good as "well behaved" soldiers, the mere fact that many men compose the army at Camp McCain, is proof of the need for a measure of control. So, that is a part of the job of the Corps of Military Police at the Camp, but... primarily the Corps is a valuable service organization... with all the functions designed "of the troops and for the troops."

The Corps of Military Police today is as different from the M. P.'s of 1918 as the modern airplane is to the wood and fabric ships of that period. It is a separate service, under the Provost Marshal General's Department, and the men, including officers, are selected for a combination of brain and brawn... not just for the latter. Approximately 20 percent of M. P. Officers were formerly in professional occupations, such as teaching, legal work, etc.

To use the words of Major C. S. Lloyd, Provost Marshal at Camp McCain, "The M. P. helps keep the soldier out of trouble, takes care of him if he gets into trouble, and prevents him from getting in further." That statement reflects the immediate aim of the M. P. He works with men in uniforms, and his attitude toward his job is as important as his physical prowess. Major Lloyd, a firm, keen-eyed, and just soldier, insists that his M. P.'s maintain dignity, courtesy, immaculate appearance and resort to no racial distinction in performance of their duties at all times.

The modern, streamlined Corps of Military Police is a welcome and necessary addition to the United States Army, and a large measure of credit goes to Lieutenant Homer D. Holt, of the Provost Marshal's Office at Camp McCain, for the early training of the M. P.'s job, and smooth functioning of the Corps at that Post. The Camp McCain M. P.'s were carefully "worked over" by Lt. Holt, well trained in knowledge and importance of their work far in advance of the arrival of other troops, and though their achievements seldom make headlines, the results are evidenced by increasing efficiency and conduct of all the troops stationed here.

Whenever you see a Camp McCain soldier wearing the insignia of the crossed pistols, remember that he is a part of a proud organization who "think first and then act."

Miss M. H. Elliott and Mrs. T. H. Dugan, of Charleston, Miss., were Easter guests of Miss Aline Bridges.

## Family Reunion Sunday, April 25th

On Easter Sunday, the spacious country home of Mr. and Mrs. Griffin Shaw in the eastern part of the county was the setting of a birthday celebration in honor of Mrs. Shaw's sisters, Mrs. R. D. Cheatham, of Yesso City, and Miss Eleanor Holland, of Milan, Tenn., twin daughters of the late Mr. and Mrs. S. E. Holland, formerly of Grenada.

After a musical program directed by Mrs. Shaw, the guests assembled at the long table laden with delicious food. Those present were: Mr. and Mrs. R. D. Cheatham, Frances, and R. D. Cheatham, Jr., Yesso City; Miss Eleanor Holland, Milan, Tenn.; Mrs. Russell McWhorter, Mrs. C. L. Trussell, Charles and Winifred Trussell, Mr. and Mrs. Sam Gillon, Joy, Thomas and Bobby Gene Gillon, Robert Shaw, Katherine Jones, Billy Shaw, Mary Edna Shaw, Grenada; Mrs. Mollie Shipp, Big Creek, and Mrs. Minerva Brawford, State Springs, Mr. and Mrs. Moore Denton, J. T. Davis, Dorothy and Martha Ann Davis, State Springs, visited in the afternoon. A brother, Guy Holland, Excelsior Springs, Mo., was unable to attend.

## Rat Campaign Makes Progress

Mr. Miller, working here with County Health Department, states that the campaign to exterminate rats is shaping up nicely and that the second week in May is the time set aside for the actual poisoning of these dreadful pests. Working with the State Plant Board, whose representative in Grenada County is Mr. Nelson Douglass, Mr. Miller will be further assisted during the week when the rat poison is put out, by Mr. Dean, who is rat exterminator in several of the S. E. States. He is a representative of the Fish and Wild Life Service.

This campaign will cost \$600.00, of which \$200.00 has already been pledged. It is well to remember that the fight on rats must be staged semi-annually, otherwise we shall never rid Grenada of them.

**HENTZE-WILDEY**  
On Monday, April 19, 1943, Miss Gladys Hentze, of Toledo, Ohio, became the wife of Pvt. Arthur H. Wildey, of Toledo, Ohio and Camp McCain, Miss., in a simple ceremony at the Methodist Church Study. Rev. W. L. Robinson, pastor, officiating. The charming bride was attired in a dark suit of wool and chose green accessories. Her corsage was of roses and sweet peas.

## Martin Gonzalez of Ecuador Here For Training

It seems to be quite a compliment to Grenada Farms that the Committee of Inter-American Affairs (of which Donald Rockefeller is Chairman) has sent to Grenada Farms Mr. (or Senor) Martin Gonzalez for four months training and observation in this milk plant. Senor Gonzalez's father is in the milk manufacturing business in Ecuador. Mr. Rockefeller's committee, a part of the U. S. Department of Commerce, has sent forty or more young men of Central and South America to study and observe methods in all sorts of manufacturing plants throughout the United States.

## Jones Chapel Colored Public School

To the Superintendent of Education, Jones Teacher, Co-workers and Friends:

I regret very much that I shall have to give up my work with you. But because of the governmental changes in transportation I am forced to work near, or in my home town, Columbus, Mississippi.

I began work with you, while a citizen of Grenada in 1935, which makes this the seventh year of service in the same school community.

I shall always remember the kindness and cooperation of my school patrons and thank them especially for the honor of a seventh term anniversary, and also gifts that were given me.

I extend special thanks to my white and colored friends for their kind cooperation in helping me to improve my school and solve problems in my community, which seemed impossible.

We are proud to say that within the above mentioned terms that our school building has been made more comfortable by these additions: ceiling, a good fine study tables, a twelve foot annex on which a stage is built and a closet. The out side additions are, two swings, sea-saws, a walk made of commodity case, out houses and a few flowers planted.

I go to another field of service but leave with you my prayers and best wishes for your success.  
Eddie Belle Williams, Teacher

## Big "I" And Little "U"

Some folks say a regular journalist had rather be burned alive than put "I" in the paper. Of course they were referring to the highbrows that are afraid of offending some one's good taste. Pop Whitaker and I have poetic license to put anything in print that will pass postal inspection.

The only fault we find with Pop is that he uses a lot of space sometimes on the weaker sex, but I'm putting Ma wise to him.

## YOUR INTEREST COMES FIRST

Believe it or not, but here in our place we put U ahead of I for lots of reasons. We want your friendship and we want U to be entirely satisfied every time U pass out of our door. U are so much larger than I with us that we spend most of our time thinking and doing the things that we think will make your shopping for food more satisfactory and pleasant.

## U ARE THE MOTIVE POWER

Yes U are the reason we want I to be smaller than U because by keeping I the smaller we will naturally put your interest first but if I should get to be larger than U we might get too big for our pants and wake up some morning without any at all.

## UNCLE SAM IS FOR YOU

Yes the ration board has told us food merchants to let you have plenty of canning sugar this year.

Bring your No. 1 books in and we will let you fill out a certificate for all the sugar needed for CANINNG purposes. It will not be necessary for you to go to the ration board, just bring your books to the store and get your sugar.

In the rush and confusion last week, we neglected to mention the fact that Jack Dyre's beloved mother died in her home in Kilmichael.

The lights at intersections continue to blink, sometimes after traffic has almost ceased. I did not see one traffic light in Gulfport, a much larger town than Grenada. Apparently there is much more traffic in Gulfport than in Grenada.

Smiles now wreath the face of John Emmons, whose old lady has got back home after a stay in the hospital.

Spurgeon Burke, sage of Mt. Nebo, was a visitor to Grenada Monday, but failed to call by to pay his respects.

It looks like most men think more about whiskey and women than any two other subjects—but it was ever thus.

Boots Jones and his chauffeur, "K. P." brought his mother, Mrs. Annie Jones, back home one day last week. Boots must be getting prosperous, or lazy, having a chauffeur.

From the elaborate forms that the Negro taxi men have to make out, they should employ a competent accountant.

Dear Green and Allison: I enjoyed myself here Monday afternoon, and will be back next Monday. Lamar Chamberlain.

Corporal Andrew D. Whitaker, U. S. Air Corps, is spending a few days at the Jackson Air Base this week.

We welcome to the list of new subscribers our neighbor, Winifred Carter.

I understand that Street Commissioner J. M. Talbert is rigging up a tank truck with which to wash the streets every night in the business section. That's a fine move.

Aint they sweet.

The public square will soon be adorned with about 20 new benches constructed by Shag Trumell of lumber donated by City Lumber Company.

There are rumors that the 87th will be moved away soon. These rumors come direct from the latrine. You will hear this kind of latrine dope all during the war, and you can disregard all of it. The Commanding General will have only a very short notice before the 87th leaves, so the junior officers and the enlisted men are usually merely popping off when they repeat such rumors.

James Russell is still alive, but he had a narrow escape in a plane crash recently.

His many friends in Grenada sympathize with Ches Wilkins in the total loss of his home, including all of its contents, by fire last Saturday night at Duck Hill.

Speaking of fires, Grenada has been fortunate up to 10 o'clock a. m. Tuesday, April 27, 1943 by not having TWO fires at the SAME time. Echo answers, "what", when we ask what will happen when Grenada DOES have TWO fires at the SAME time.

If somebody, anybody, will write out a logical explanation for the installation of the traffic light just south of the Baptist Church at the intersection of Main and College streets, I will publish it free.

The rumor has reached Grenada that liquor will be rationed in Memphis soon. It is also being said by those in the know that Bourbon whiskey is practically unobtainable at the present time. It has already got to the point where the po' man cannot get drunk.

I hope some country friend will bring me in about 100 corn cobs. I have accumulated about 200 gallon jugs made of glass, and some of them have no stoppers. If it was not against the law, I would have all of our open land planted in corn and sorghum and start a still, so that I could use those bottles and help relieve the liquor shortage.

Sitt was a recent visitor to Slate Springs.

From the pictures that we have in the GOW, I am figuring on changing the name of the paper to the Grenada Illustrated Journal.

Thanks to Byron Hunter for a nice pencil and a nice blotter.

I think a lady of the evening just passed.

Our overseer, Mr. Terrell, is laid up with the flu this week.

The business which neglects the home folks and uses his courtesy and service only on those possessing the easy money, is pursuing a short sighted policy.

THE 2ND WAR LOAN DRIVE IS ON!

## It's Ten Minutes to Midnight!

### Wake Up, Americans... Your Country's Most Fateful Hour Is Near

THE hour when the final die is cast, when decisive victory hangs in the balance. The hour which will decide the future of you and your children... a future of joyous freedom or a future of endless serfdom.

Yes, it is ten minutes to midnight. And when the first stroke of that fateful hour begins to sound, it will be too late to throw your weight into the fight.

The time to do that is NOW.

Now, when your dollars can keep the production lines humming. Now, when your dollars can buy the tanks and guns and planes and ships our soldiers need to fight a winning war... the only kind of a war we can afford to fight. Now, while there are still ten minutes before midnight.

Your country is asking you to lend your dollars in greater amount than ever before. It is asking for 13 billions of dollars extra this month... 13 billions for the weapons of war to make sure that it is our side which dictates the peace.

If we do not win, the money you fail to lend now will be worse than useless to you. If we win, as we must, the money you lend now will be returned with interest... for you to spend on the good things of life... for you to enjoy in a free and safe world.

So dig down, Americans. Answer the challenge by buying War Loan securities this month with every idle dollar you have except what you need for the barest necessities of life.

Don't wait for the War Loan Volunteer. Beat the gun by going to your bank, investment dealer, broker, Post Office, or bond booth today.

Have your money in your fist... the fist that can deliver the knockout blow to the Axis. But hurry...

For it is ten minutes to midnight...

The hour that can strike the knell of doom—or the blessed song of freedom.

Your dollars can call the tune.

There are Seven different types of U. S. Government Securities—choose the ones best suited for you:

**United States War Savings Bonds—Series E:** The perfect investment for individual and family savings. Gives you back \$4 for every \$3 when the Bond matures. Designed especially for the smaller investor. Dated 1st day of month in which payment is received. Interest: 2.9% a year if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

**2½% Treasury Bonds of 1944-1949:** Readily marketable, acceptable as bank collateral, these Bonds are ideal investments for trust funds, estates and individuals. A special feature provides that they may be redeemed at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated April 15, 1943; due June 15, 1949. Denominations: \$500, \$1000, \$5000, \$10,000, \$100,000 and \$1,000,000. Redemption: Not callable till June 15, 1944; thereafter at par and accrued interest on any interest due at 4 months' notice. Price: par and accrued interest.

**Other Securities:** Series "C" Tax Notes; ½% Certificates of Indebtedness; 2½% Treasury Bonds of 1950-1952; United States Savings Bonds Series "F"; United States Savings Bonds Series "G."

#### CHRIST'S CHARGE TO PETER

LESSON TEXT—John 21:15-17.  
GOLDEN TEXT—Greater love hath no man than this, that a man lay down his life for his friends.—John 15:13.

Breakfast for a hungry fisherman—that is what our loving and thoughtful Lord had provided on the shore of Galilee. He wanted to talk to Peter, but He knew this was needful first. There are some folk who think that following Christ is a doleful matter, devoid of every pleasure. Jesus never taught any such thing. He attended weddings and dinners even in the homes of those despised by men. But remember that He always did it for their spiritual good, not merely for His own enjoyment; and that He always brought the gathering up to His own spiritual level, rather than stooping to any worldly or wicked standards.

Here we find Him with a glowing fire upon which fish is broiling, and with bread ready for these hungry men. It was just like Him thus to meet in most delightful and satisfying fellowship those who serve Him. Draw up to the fire, Christian friends who are standing afar off. You may be so timid that, like the disciples, you will not dare to call Him by name (v. 12), but if you will come, you will find that the precious fellowship will soon warm your heart.

With the meal over, Christ turned to Peter and in their conversation we find the latter required to:

#### I. Feed Responsibility (vv. 15-17).

With kindly persistence our Lord brought Peter face to face with his responsibility of full-hearted devotion to Him. Before service can be rendered there must be a right relationship to the Lord.

Three times Peter was asked to declare his love for Christ. Such a public confession was quite in place, before the man who had thrice denied his Lord was restored to a place of leadership. The words "more than these" (v. 15) indicate that Jesus was asking of him a high measure of devotion. It is no more than He has a right to expect of us.

The conversation after breakfast that morning was a very profitable one. One is reminded, by contrast, that few of our mealtime discussions are very useful. Many (perhaps most) after-dinner speeches and conversations yield little profit. Here is an occasion when such was not the case. One wonders whether we would not be wise to take the suggestion and turn our thoughts and those of our dinner guests to spiritual things. Surely it should be so among Christian friends and in a Christian home.

#### II. Feeding Christ's Flock (vv. 15-17).

We review the same verses to point out that an expression of love to Christ means nothing except as it manifests itself in service. Like Peter, we are to be diligent about feeding His flock, whether they be the young and inexperienced lambs, or the mature sheep of the fold.

We tend to specialize. Even in soul-winning some give themselves to child evangelism while others reach only adults, and would hardly think of dealing with a child. True it is that we have varying gifts, and one does one type of work better than another. But let us avoid over-specialization. Every needy soul is a challenge to us as we present the gospel.

The word "feed" should be stressed. Here again the church has frequently failed. Men and women are won to a decision for Christ, and then forgotten. Sheep must be fed if they are to grow. A teaching ministry must accompany the evangelistic effort. They belong together, and to neglect either is to fail, at least, in that measure.

#### III. Follow Him to the End (vv. 18-24).

Endlessly ingenious are the devices of Satan. He who had sifted Peter like wheat (Luke 22:31) and had rejoiced in the weakness of his denial of Christ, now saw him stepping out into victorious living. He heard the prophecy of the martyr's death of Peter. So he put into his heart a question. Why should he suffer? What about John? What was the Lord going to do for him?

When our enemy cannot trip us up with temptation to personal sin, he resorts to the device of jealousy. Many promising Christian workers have become useless because they have taken their eyes off Jesus and put them on the persons and work of other Christians. Doing a work which was difficult and unnoticed but very important to God, they have felt the urge to quit because someone else seemed to have the easier task and receive more recognition.

The answer of Jesus in verse 22 plainly states that it is not the place of one disciple to judge the course of life of another, nor to gauge his own devotion to Christ by another's place or service.

The word of Christ to us is the same as to Peter: "Follow me." We have all we can do to live our own lives in a manner well-pleasing to our Lord.

The Questions  
1. A radio wave travels so fast that in one second it can circle the earth how many times?  
2. If a sailor is punished for being AWOL, where is he put?  
3. The rank of colonel in the army corresponds to what rank in the navy?  
4. What city pioneered in introducing music into the public schools?  
5. What literary work is credited to a member of the court of Croesus, king of Lydia?  
6. How long is the period for which a patent is granted in the United States?  
7. What is the average number of hen eggs to a pound?

The Answers  
1. Seven times.  
2. A sailor is sent to the brig; a soldier, to the guardhouse.

When the soldier talks about "the skipper" he means his captain, the head of his company. And that's just what the title "captain" means. It comes from the Latin word "caput" meaning "head." ## HOUSEHOLD HINTS

Small bits of soap in a thin cloth bag are as effective as a large cake of soap for use in a bath.

If a little piece is chipped off walnut furniture, touch up the spot with iodine applied with a piece of cotton, then go over the surface with furniture polish.

Brooms and other sweeping brushes should be hung up when not in use. For hanging, use ordinary picture wire. It wears indefinitely and being stiff will catch on hooks more easily than string.

To remove old wallpaper, wet with a solution of one tablespoon of saltpeter in a gallon of water. Works best if the water is hot.

Save the peels of oranges and tangerines, dry them in the oven, and store them in glass jars. They give puddings a delicious flavor.

To remove fresh paint, wash fabric with soap and water. If the stain is old, soften it with lard or sponge with turpentine. Then launder. If material is nonwashable, sponge with turpentine or spot remover.

Next time the steps need painting, try painting every other step; let these dry, then paint the others. It takes a bit longer, 'tis true, but it's a lot handier and the kiddies will love having to take 'em "two at a time."

When the soldier talks about "the skipper" he means his captain, the head of his company. And that's just what the title "captain" means. It comes from the Latin word "caput" meaning "head." Another leader high in the Army man's favor is Camel cigarettes—they're first choice with men in the Army. (Based on actual sales records from service men's own stores.) When you're sending gifts from home, keep in mind that a carton of cigarettes is always most welcome. And though there are Post Office restrictions on packages to overseas Army men, you can still send Camels to soldiers in the U. S., and to men in the Navy, Marines, and Coast Guard wherever they are.—Adv.

# MILK

## PRODUCTION

### ONE OF THE MOST IMPORTANT FOOD FOR FREEDOM GOALS

The nation is calling upon American farmers to produce more and more milk. The 1943 national dairy goal is 122,000,000,000 pounds of milk. The U. S. Department of Agriculture estimates that even this stupendous quantity of milk will fall short of total needs by around 22,000,000,000 pounds.

Milk is the No. 1 product for better nutrition. Milk is essential for growing children. Milk helps to protect the health of all our people.

Condensed and evaporated milk, milk powder and cheese will keep for long periods and is shipped to our soldiers, sailors and allies on the far flung battle fronts and remote fighting zones.

Farmers face many difficulties in trying to reach the 1943 milk production goal. Many dairy farms have lost a lot of skilled labor. Some dairy farmers have been forced to sell their herds. Others have reduced the number of cows they are milking.

Every available dairy cow must be made to produce to maximum capacity in 1943. Every farmer who has access to a milk market or milk route and can milk one or more cows is asked to join the forces engaged in milk production.

### An Eight-Point Victory Program

The Mississippi Extension Service and county agents are emphasizing an eight-point dairy production program to reach the milk production goal as follows:

- Increase the number of milk cows.
- Practice better breeding, feeding and management.
- Raise more silage.
- Improve pastures.
- Sell all surplus milk produced on every farm.
- Keep production records.
- Produce more legume hay.
- Produce clean milk.

Dairymen are asked to keep in mind the two main factors in obtaining higher milk production per cow—providing plenty of good pasture, legume hay and silage, and liberal grain feeding.

The amount of grain that can be fed profitably will depend upon the relative price of the grain and the milk. When grain is cheap and milk is high, it will be more profitable to feed grain liberally than when the reverse is true. Dairy specialists say that many dairy farmers are feeding too little quality roughage to make the most profit, as well as to get the greatest production of milk possible.

### Raise Plenty of Feed

There is no better way to reduce the cost of milk production than to raise and feed plenty of good roughage. Now is the time to plan for improvement of pastures and production of hay and silage. Pastures cannot be completely depended on to supply enough feed, so your county agent recommends mowing of annual crops for temporary or supplementary pasturage.

Another way to increase production is to keep the cows comfortable both winter and summer. Expensive barns are not necessary. The main thing is to keep the cows dry and out of cold rain and wind. In the summer see that they have shade and plenty of clean, fresh water.

### Mississippians Must Milk 524,000 Cows

Mississippi's 1943 dairy goal is 1,470,000,000 pounds of milk. This compares with 1,376,000,000 pounds produced in 1942. To reach the 1943 milk goal it is estimated that Mississippi farmers will need to milk 524,000 cows, as compared with 504,000 in 1942.
